

Pioneer Bible Translators Papua New Guinea Branch  
Office Extension Building Project  
Status Report  
for the Month of November 2008

Week One

**Nov. 6** Stair railing completed, also cement slab, stair's wood is stained, security doors are installed.

**Nov. 10** Downstairs air conditioning is running fine

**Nov. 10** Final items like fuse box, air con remote control, door knobs, and light switches are all finished

**Nov. 10** Upstairs floor shines!

**Nov. 10** Final touch-up work is now being done – and ensuring nothing was missed. For example, water has yet to be turned on.

Maybe this *second* week of November the construction work will be completed! Afterwards we will begin working on and furnishing the insides of the two offices.

We are building this office extension in phases, as the finances are provided by our supporters. We have been blessed to be able to start the construction, but still need the finances to complete it. If you would like to be a part of this exciting work, please send any contributions payable to Pioneer Bible Translators to this address:
