

Pioneer Bible Translators Papua New Guinea Branch
Office Extension Building Project
Status Report
for the Month of November 2008

Week Two

We know the Office Extension construction is FINISHED because....

Nov. 17 ...The ground is cleaned up, and Agusta stands next to potted plants!

Nov. 17 ...A doormat graces the hallway entrance!

Nov. 17 ...The Publications Office is no longer used for workers' storage!

Nov. 17 ...The bathroom has toilet paper!

Nov. 17 ...The upstairs floor is mopped, ready for use!

This third week of November the construction work is completed! Now we will begin furnishing the two office rooms. We are planning a dedication of the building during PBT's Annual General Meeting in January.

We are building this office extension in phases, as the finances are provided by our supporters. We have been blessed to be able to complete the construction, but still need the finances to furnish it. If you would like to be a part of this exciting work, please send any contributions payable to Pioneer Bible Translators to this address:
