

Pioneer Bible Translators Papua New Guinea Branch
Office Extension Building Project
Status Report
for the Month of October 2008

Week Five

Oct. 31 Downstairs air conditioner still needs work

Nov. 1 Bathrooms are completed!

Nov. 3 Upstairs floor varnished, air con installed

Nov. 3 Outside stairs up, railing almost up!

Nov. 3 Security lights, window bars, doors

Maybe this first week of November the construction work will be completed! Afterwards we will begin working on and furnishing the insides of the two offices.

We are building this office extension in phases, as the finances are provided by our supporters. We have been blessed to be able to start the construction, but still need the finances to complete it. If you would like to be a part of this exciting work, please send any contributions payable to Pioneer Bible Translators to this address:
