

# November Picture Page

Angela and Abigail chat with village ladies and children after church one Sunday. The lady profiled to Angela's right is Korenime, Angela's close friend and gardening partner.

Hannah in the foreground, Samuel in the background, as we celebrated Hannah's second birthday, October 16. Our little girl is growing up! (Boo-hoo!)

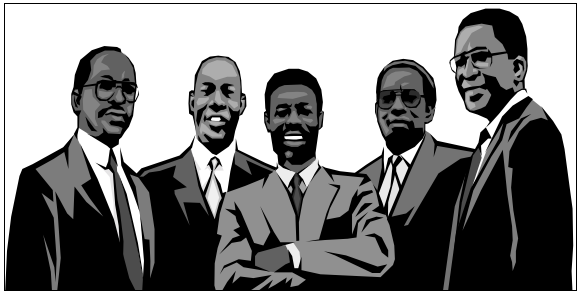

Samuel and Andrew hold 2 of the 3 puppies that survived birth. The puppies are being given to various PBT folks to be used as watch dogs.

Hannah and Samuel on Hannah's birthday. Samuel enjoys his little sister and she enjoys her brother.

Hannah and Abigail rock one of the puppies under our house in an old shower bucket. The girls have really enjoyed playing "mama".

Todd (second from the left) and Garia co-translators after a power lunch with a large multinational petroleum company.
